Sid / Yvonne

Good day to you.

I have received the following from our bunker broker

qte///

Have received following from Toyota ref local physicals.

Quote

As informed there is no LS fuel oil and no LS Mgo in Kushiro.

From time to time there is LS Mdo as explained but always tight and can only be delivered by local domestic trucks which can't reach the vessels where they berth normally.

All majors, traders, independents etc. use the local domestic company Messrs Apolo Sekiyu Co Ltd.

For sake of good order, contact no. is: +81 34 306 5624

Unquote

You can use Toyota as a contact address, as Apolo will only work with local domestic offices anyway, and is purely Japanese speaking office.
